

SEALS, RESTORES AND PROTECTS FIBREGLASS DECKS

Andek NW 'Z' GRADE

The Ultimate in Deck Restoration

EXTREMELY TOUGH & ABRASION RESISTANT

NW Z Grade is a premium high performance single component waterproofing elastomeric coating designed for permanent flexibility, toughness, abrasion resistance and to move with hairline cracks. Significant savings to more expensive fiberglass restoration and tear-offs.

- Extremely tough and abrasion resistant. Allows for expansion and contraction of substrate
- Straight forward application procedure insures reliable and high quality results
- Seamless membrane with excellent adhesion
- Excellent UV resistance and color fastness
- May be used in marine or industrial situations and in constant submersion conditions
- Available in wide range of standard and custom colors & smooth and textured options
- Tested and validated by SWRI for Priority Performance in a Deck Coating System
